This programme will not be any cost to your club as these will be covered by the Vrugby Scheme and it should add great value to your current club regime. After the completion of each year of the Vrugby programme it would be up to your club to integrate the young volunteers into your own programmes and work with them to develop their skills in a variety of ways.

The programme is for an initial period of 3 years where it will start again each year so this should generate more younger people in your area to take on one of the many voluntary roles at your club.

This is a great opportunity to recruit young people to assist with the running of you club and tackle issues which clubs according to recent feedback from club visits such as;

- Web Design
- Marketing and Promotion
- Media Liaison
- Fundraising
- Running small festivals
- Working on Club Developments

I thought it was important to let you know I had nominated you as a club for this programme and hope this was the correct decision. Please read through the attached information and if you have any questions please do not hesitate to contact me on the numbers or addresses above.

Kind Regards

Liam Nicholls  
RFU Rugby Development Officer – Cumbria
