CHANGES YOU NEED TO KNOW ABOUT

At Carlisle RFC we are a Community Amateur Sports Club and to a large extent we depend on the generosity of our sponsors and other people who use our facilities. Like everyone else we are suffering in the financial downturn and have had to review the way we do things.

For a long time now we have allowed our car park to be used for long term parking on the payment of an annual membership subscription of £20 and I am sure that you will agree that was a very generous benefit when compared to car parking costs elsewhere in the city.

Our car park is in need of major repairs and that will soon be undertaken. However, this all costs money, and the committee have decided that there has to be a more realistic return from the use of the car park in the future.

From 1st September 2009, the membership subscription of £20 pa will no longer entitle the member to park for extended periods whilst away from the club premises. Club members will, when they renew their annual subscription, be issued with an identifiable car park permit, allowing parking at the premises when they are using the rugby or squash facilities.

ANY MEMBER, or indeed **ANY OTHER PERSON**, who wants to use the car park for non-club activities on weekdays from Monday to Friday between 0800 hrs and 1800 hrs. will need to purchase a **CONTRACT PARKING TICKET**, valid for one year from the date of issue. The cost of the annual contract parking will be **£200**. That may appear to be an excessive cost, but allows for up to 10 hours parking, five days a week - **at less than 80 pence per day** - very reasonable by any standard.

We hope that you will understand the reasons for the changes outlined and that your co-operation will follow.

As ever, anyone parking their vehicle on our premises at Warwick Road, does so at their own risk, and Carlisle RFC, will not accept responsibility for loss or damage to the vehicle or contents thereof, however such loss or damage may have been caused.

VEHICLES FOUND TO BE PARKED ON THE CLUB PREMISES WITHOUT THE NECESSARY PERMISSIONS MAY BE CLAMPED. IN SUCH CIRCUMSTANCES A RELEASE CHARGE OF £50 WILL BE REQUIRED BEFORE THE VEHICLE IS FREED.

PLEASE COMPLETE THIS APPLICATION FORM AND RETURN IT TO THE ADDRESS SHOWN AS SOON AS POSSIBLE.
